

FloArm Tool Clean

(Formerly known as MYK Indufloor Clean 500)

All Purpose cleaning agent for Equipment tools

TECHNICAL DATA SHEET

Product Description

FloArm Tool Clean is ready to use cleaning agent for tools and equipment used for the processing of epoxy resins which offers a rapid, easy and thorough removal.

Features and Benefits

FloArm Tool Clean is an effective cleaner.
All-purpose cleaning agent

Application Methodology

Application:

FloArm Tool Clean is applied on the well-wetted surface by means of a brush, or brooms etc. The solution is allowed to react with the surface; the removal of splashes is done mechanically or by rubbing etc. In particular cases it is applied in several subsequent operations until the splashes etc. are removed sufficiently. After each application clean the surface with plenty of clean water to reliably remove the unused residues of FloArm Tool Clean
